

PENNINGTON CONSERVANCY EVENTS FOR JULY 2020

Nkombba

The first work party started on the road to make Nkombba a wonderful site again. Paths were cleared and Adrienne very kindly brought in her team to cut the grass at the entrance area. Fallen branches across the various trails have been removed and a list of priorities has been decided upon in for the future. The next work party is scheduled for Saturday 11th July at 10h00. We work for two hours and then have some refreshments. Please come along with a rake and pruners and, also bring along a chair.

Impithi Beach Restaurant

The wait is over, and we will be open again from Wednesday 8th July albeit with a restricted menu and under a considerable amount of red tape. Please bear with us while we try to unravel the regulations, but we do need to make every effort to comply with the legislation.

We would like to start a Garden Club for the gardens around Impithi. So, if you can spare an hour or two on Wednesday morning 15th July starting at 09h00 Irene Strydom would warmly welcome you to assist her in ensuring that the gardens are beautifully maintained. It is a wonderful opportunity to spend some time in a beautiful garden with a lovely range of indigenous plants and trees.
